All critical elements (text, images, graphics, logos, etc.) must be kept inside the blue box.

**Keep all elements away from the blue line (Safe Zone).**

#### — **TRIMMING ZONE:**

Please allow 0.125 inches cutting tolerance all around. We do not recommend having borders due to shifting in the cutting process, which may cause borders to appear uneven.

Make sure to extend the background images or colors all the way to the edge of the black outline.
